

Words of Peace

Holy Communion is a gift from God. If you are baptized and believe that Jesus is present to you and are prepared to receive him, you are invited to this holy meal. The cups in the center of the trays contain grape juice rather than wine.

YOUTH CAR WASH TODAY

Dear Members of Peace

As we head down the home stretch toward the final vote on April 18th, we need to work together to meet our short-term financial obligations.

As with any transition like this, some of you may be uncertain about the future. Consequently, you may be temporarily withholding your regular giving, or may have cut back on your giving.

Your church council, pastor, and more than two-thirds of us believe we will be successful in heading in a new direction, as we affirmed in the January vote.

As we move forward, the regular operating expenses continue (mortgage, salaries, insurance, etc.). In order for us to maintain our financial solvency and to reach our short-term goals, we need everyone to make a special effort and commitment to give all that you would normally give. In addition, we invite you to experience God's overwhelming generosity by increasing your giving. We believe Him to be faithful when He tells us He will prosper those who trust in Him and support His Church.

A brand new life awaits us right around the corner. Come join us and support our collective efforts. Thank you for your generosity and participation.

Bill Love, Peace Church Council Secretary
