Dear Friends through Christ Jesus:

Happy Independence Day! I pray everyone has a safe and joyous summer!

The 4th of July is a day where this great nation declared her freedom from the reign of Great Britain and we began to govern through the "Will of the People." This form of government, a grand experiment at the time, was to be run by what we call "democracy," in which "We the People" have authority to choose our leaders. Then in our name, the elected officials are to decide upon legislation. Over the course of almost 250 years, this form of government has evolved into basically a two party system— republican and democrat. Granted many call themselves independent, but only four of the five-hundred-thirty-five elected federal officials represent that group. Each party has a base of core supporters who hopefully believe in the common principles of that group. The task of the party is to grow their base by sharing their convictions with others, in which they believe will work toward the common good. Sound to me like a pretty good way to run a country. Too bad human nature gets in the way.

Seeing that you will be getting this letter right before this special holiday, let's spend a moment and make a few comparisons between church and society. First, did you know that you could be celebrating a holiday even greater than the 4th of July, each and every single day of the week, for the rest of your life? Granted we celebrate freedom from England one day out of the year, yet each and every day when you remember the waters of baptism you are celebrating a greater freedom—Freedom from Sin, Death and the Devil—true independence! That's just one of the common principles we as Lutherans believe. Seems to me, this type of freedom is more exciting than hamburgers and hot dogs, even fireworks.

While democracy is the path chosen to govern society in the United States of America, and many other countries, God forms the church to rule the hearts and minds of all people in all nations, so that whatever form of government chosen throughout history, the church, hopefully will keep that nation working toward the common good.

Over the course of almost 2000 years, the church as evolved into more than just Jews and Gentiles, Republics and Democrats, it has evolved into over 300 different denominations or parties. Are we that different? And are the differences a good thing or bad thing? I say Bad, because it can cause division, just like in politics. I also say Good, because it can help define our belief, just like in politics. However, our task in growing our base, by sharing our common convictions, remains the same as it does in our democratic and republican parties—with one difference—the church is to be governed not by the will of the people, but by the will of God. Sounds to me like a pretty good way to run a world. Too bad human nature gets in the way.

Continued on page 2

So what makes the Lutheran church any different than the other 300 denominations in this God given free nation? Let me start out by saying, Lutherans did not claim independence from the Roman Catholic Church, we were excommunicated, kicked out. While we still hold much in common with our catholic brothers and sisters in faith, and all the other 298 denominations, there are a few common principles or convictions that hold us together.

First, and in no particular order. God comes to Us! We do not find God. God finds us. God promises to come to us through the two pillars of our faith—Word and Sacrament. This is our foundation. Allow me to ask, “How do you communicate with the ones you love?” Through word, right? You tell stories, write letters, and perhaps even share a dream or two. Well, God communicates in the same manner. Through Word found in Scripture. Those words can be read, preached, sung or acted out, but God promises to come through them. God also comes to us through the mysterious of life. God comes to us through the most simple of elements of the Sacraments, or visible words: The cleansing waters of Holy Baptism and bread and drink through Holy Communion. God comes to us through Word and Sacrament!

Second, and what got us in the most trouble with the Catholic Church, is that be teach and believed we are Saved by Grace through Faith. Saved from what? Anything! Everything! Sin, Death and the Devil! And not by our own works or efforts, but by God free grace—a gift. We receive this free gift by trusting Christ Jesus. Saved by grace through faith.

Within our party or denomination we Focus Upon the Cross. The Cross is Martin Luther’s “shorthand” for the Life, Death, and Resurrection of Jesus. The Cross keeps us from being drawn to a theology of glory, where we are tempted to look only at the resurrection, seeing only the rewards and blessings while passing over the sacrifice. The resurrection comes only through the Cross—the pain and suffering of Jesus for your sin. Focus upon the Cross.

The last conviction I want to mention that sets us apart from the other 298 denominations is each and every member of the Lutheran faith is part of The Priesthood of All Believers. There should be no hierarchy within the Lutheran tradition. (Pastor/Parishioner, Male/Female, Gay/Straight, Black/White/Brown). A pastor is no more important than the member in the choir or a parishioner that gives of their treasure. We all have an equal voice. Sure we all have different tasks, but we serve the same Lord in whatever call or profession we may find ourselves, whether a doctor, nurse, teacher, student, homemaker, retired, it doesn’t matter. You are part of The Priesthood of All Believers.

This priesthood of believers is what makes up our base, a base that hopefully believes in the principles of the Lutheran faith. Our task during the month of independence is to grow that base by sharing our core convictions with others, offering a more exciting type of freedom, and always working for the common good, because that is the Will of God. Sounds like a pretty good way to run a church. Let’s not let human nature get in the way!

Happy Independence Day!

Thank you!

We are so thankful that the Food Pantry ministry survived and thrived through the worst of the pandemic months. Now it seems we are on the other side looking back. Our faithful team of volunteers....."The Mighty 8".....continued to show up twice a week and more. Donations continued to arrive, orders were placed and picked up, we were secure financially and we served thousands.

We have been tracking a decline since January, in the number of families that are showing up and need our services. It seems like our volunteers are spending more time sitting and waiting on no-shows after the initial opening rush is over. So once again, we re-evaluated and came up with the plan to shorten our hours for the summer months of June/July/August.

We will be closed on Thursday nights only for the summer and reopen in September on the first Thursday night of the month only. We will continue to serve the same amount of families that need to come, but only on Tuesday mornings.

The shortened hours and days will also give our team of volunteers a much needed break to spend time with family, to travel, to relax an extra night a week and even work their other "real jobs." We will continue to accept donations of non-perishables of all kinds, plastic bags and financial assistance. We thank you in advance for that.

On a positive note for our community and families with school aged children....Brevard County Schools are continuing the free summer feeding program this year. Children must be registered each week to receive 7 days worth of breakfast and lunch meals and snacks. This also includes a gallon of milk, not per family, but for each child, each week. This is so much more than our pantry alone can provide. Parents just have to be proactive, register and pick up.

Have a "cool " summer,
From the " Mighty 8"

Treasurer's Report

At the end of May we continue to be over budget in our contributions and under budget in expenses. That makes us feel good and hopefully we can continue this trend. We have many traveling and gone for the summer who we miss. Many of them keep up with contributions. Now that COVID-19 is slowing down, we hope to see more of our church family coming to hear God's word. We continue to need approximately \$4,500 each Sunday or we may fall behind budgeted amounts.

Our noisy offering is going to different good causes each month. May noisy offering raised \$179.90 for the Faith Come by Hearing. This helps fund Bible sticks for our military personnel. For the June noisy offering, we will raise funds for the Food Pantry which helps people needing extra food in our area. For the July noisy offering, we will raise monies for our Calling and Caring Committee that visit shut-ins and those in hospitals and nursing homes.

I'm sorry to say, our electric bill was very high for the time period April 22 thru May 22 this year. \$888 is almost the highest it has been for quite a few years. Please help us keep our thermostats on 78 degrees when we leave the buildings and 75 or 76 degrees when we are using the buildings. We want people to be comfortable but maybe we need to feel the heat to understand God's message. Thanks for being understanding and helping in this matter. Let's be good stewards.

Please keep Peace Lutheran Church in your prayers. Please have a safe and healthy summer.

Your sister in Christ,

Faye Schill, Treasurer

Treasurer's Report of General Funds

May 2021

	<u>May</u>	<u>YTD</u>	<u>Budget</u>
Contributions	\$10,311.63	\$250,258.54	\$81,250.00
Use of Facilities	\$2,875.00	\$14,590.00	\$16,250.00

Expenses	\$18,425.62	\$95,894.47	\$104,875.00

Excess Expense for May 2021 is: (\$5,238.99)

The General Fund account is used for regular expenses (FPL, utilities, salaries, lawn care, insurance, mortgage, etc.)

Did you know? Instead of writing multiple checks for individual contributions like the Children's Hunger Project, the Food Pantry, etc., you only have to write one check. Simply designate the breakdown of your giving in the check's memo area or on the envelope itself. "FP" for Food Pantry, "CHP" for Children's Hunger Project, and so on.

Thank you for your contributions!

CDC Guidance for Faith Based Organizations

PLC leadership continues to follow the Centers for Disease Control (CDC) guidance for faith based organizations. The most recent CDC guidance simply says: **"Infection/transmission is minimal for fully vaccinated people; prevention measures are still recommended for unvaccinated people, including wearing masks, staying 6 feet apart from people who don't live with you, avoiding crowds and washing hands often."**

Most PLC worshippers are fully vaccinated; others are not. We are blessed with plenty of space in our sanctuary for attendees to do what is comfortable for them as far as masking and distancing.

Thanks to all for your dedication to Christ and devotion to PLC!

- **Maintain good hand hygiene, washing hands with soap and water for at least 20 seconds.**
- **If soap and water are not readily available, use hand sanitizer with at least 60% alcohol, tissues, and no-touch trash cans. (We have hand sanitizer readily available for your use)**
- **Cover coughs and sneezes with a tissue or use the inside of your elbow. Throw used tissues in a no-touch trash can.**
- **Face coverings are meant to protect other people in case the wearer is unknowingly infected but does not have symptoms.**
- **Do not place protective masks on anyone who has trouble breathing or is unconscious, or anyone who is incapacitated or otherwise unable to remove the mask without assistance.**

The idea is to spread the Love of God and the stories of the Bible through short entertaining messages over the phone.

One simply calls **321-727-1048** and they hear a different story everyday about Flip the Flea, Dirty Windows, Phillip the Pig, and many other strange concepts and characters, all sharing a theme from Scripture. Granted some may seem a little off of the wall, but what better way to reach out? After all, aren't most of us are a little off the wall?

Your task is to not only use the service, but share this ministry with those around you.

Gotta go. Bye now. Seeeeee ya tomorrow!

Our Food Pantry is always in need of donations of either food or financial donations to support this much needed ministry. Our community is flooded with people looking for help, and we are grateful that as a church, we can help meet the need, anyway we can. Your generous donations will allow us to continue to help them and together, we can

see our community get stronger!

Our pantry is open on: **Tuesday's—9AM -11AM and Thursday's—4:30PM—630PM. AFTER JUNE 10TH, NO PANTRY ON THURSDAY'S DURING THE SUMMER. PANTRY WILL BE OPENED ON THE 1ST THURSDAY OF THE MONTH BEGINNING IN SEPTEMBER. TUESDAY'S TIME REMAIN THE SAME.**

Thank you to everyone who has been donating to the food pantry. It truly makes a difference in our community.

Jesus says in Matthew 25, "For I was hungry and you gave me food... Truly I tell you, just as you did it to one of the least of these who are members of my family, you did it to me."

Where do you buy groceries, gas, prescriptions? What restaurants do you like? Where do you purchase clothing or things for around the house? A couple weeks ago, Peace began a program called Scrip. Simply and I mean simply, purchase the cards following worship or order whatever you want for the following week. That's it. 100% of the proceeds will go toward our food pantry in feeding the poor.

We are going to shop no matter what. We might as well serve the Lord in the process. I love the program because it helps me think more about God. I don't always do that when I use my debit or credit card. When I'm out having a meal with family or friends, shopping at the mall with my wife, doing some work around the house, and I go to pay the bill with my Scrip card, I find myself lifting up a word of thanksgiving for being able to enjoy the blessings given by my Creator.

Give it try. See how you feel.
