

PEACE LUTHERAN GROUPS CAMPUS USE SURVEY

Last week we shared information regarding the Out Reach Opportunities listed below and hope you've had an opportunity to become familiar with them. As Disciples of Christ, opening our home to others is one way we can fulfill His Great Commission to us; "Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age." (Matt 28:19-20 NIV). Please answer yes or no to each question about each of the groups listed, to help us determine how well we as a congregation are reaching out to and are involved in the community.

***This is the last of our surveys about "Who Are We?" Our next few surveys will be asking about where our future ministries are heading, where do we see Peace, each other and ourselves, in the next few years, etc. As always, we welcome your comments and questions and are thankful that you continue to lift us and this process up in prayer.*
