Dear Friends through Christ:

Everybody has the same God. We may not believe in the same God, but we all have the same God!

We learned last month that all the different religions of the world have no problem whatsoever with the Ten Commandments given to the Hebrew people by their God. Actually, most religions have their own versions of similar teachings. So, if these commandments are universally accepted instructions for humanity to live by, I figured it would be a good idea if they were written on the doorpost of our hearts. The Ten Commandments are God's attempt to organize a bunch of misfits in a world that has gone nuts.

The last newsletter, we made it through the first four.

1. I am the Lord your God.
2. You shall have no other gods before me, nor shall you worship or serve any thing more than God.
3. You shall not take the name of the Lord your God in vain.
4. Remember the sabbath day and keep it holy.

That is where I left off last month, "Remember the sabbath day and keep it holy." Folks if the trend continues, with fewer and fewer keeping this command, Christ's church will struggle, and the balance of God's commands will be broken at an alarming rate.

Honor your father and your mother.

Honor can conjure up a few definitions. For example, "It is an honor to be here today." Or "We show honor to our veterans on Memorial Day." Yet within Scripture, honor carries the meaning, "to fulfill an obligation or keep an agreement." Your father and your mother brought you into this world. They should feed you and clothed you. They should teach you and set you on a path. Your responsibility is to show respect and make certain they are taken care of, when they no longer can take care of themselves. Just like they did for you. Tit for tat. Some have argued their mother or father did not do a good job at being parents, but our parents' actions have little to do with God's command to us.

You shall not murder.

The Hebrew word used is "tirsah," which carries the meaning of murder, not kill. Yes, all murder involves killing, but not all killings are considered murders. See where confusion might set in? What about capital punishment, abortion, war, self-defense? But in this command, murder represents an unlawful killing. Life is considered precious by biblical teachings and the taking of an innocent life would result in losing that right to live. Did you know there are multiple passages found in Scripture where God expressly commands to kill rebellious people? God is a God of justice! However, we are not God! And whether it is "kill" or "murder," the act of taking a life will always cause God grief and disrupt creation.

7. You shall not commit adultery.

Human beings are not created to be alone. Loneliness is the one thing in the “garden of paradise” that is not good. Every human being needs a partner, a helper in order to fulfill their purpose of being fruitful in this world. Adam and the mother of all living, Eve, become one-flesh. “Bone of my bone and flesh of my flesh.” To break this bond disrupts everything around them, and once again the ground creature is found alone—not good. However, this adultery includes more than just a sexual act, although it is one of the more popular methods of destroy relationships. Over and over in Scripture, the nations of Israel and Judah were considered the “bride” of God, and over and over they commit adultery with “false gods.” Adultery is an act of treating your partner, helper, husband, wife, your God, as something less than you.

8. You shall not steal.

Stealing seems to be the very first command engraved into the minds of most human beings, in all cultures, at a very early age. “If it is not yours, don’t take it.” Such a simple command triggering so much of the chaos we see today. We can paint a picture in our mind of Adam and Eve in the garden, reaching out their hands to take, not understanding God has given everything we need. If it is not yours, don’t take it!

9. You shall not bear false witness against your neighbor.

Bearing false witness is the easiest and fastest way to hurt or punish another. Of course, humanity will use this effective form of the word to destroy individuals, families; even nations. Why? Because it is so easy. A false witness is simply a true **coward**.

10. You shall not covet anything that belongs to your neighbor.

The command in its entirety reads, “You shall not covet your neighbor’s house. You shall not covet your neighbor’s wife, or his manservant or maidservant, his ox or donkey, or anything that belongs to your neighbor.” The Catholics and Protestants separate these coveting commands into two, while the Jewish, Baptist, most non-denominational combine the two, forming the tenth and final command. I prefer the Jewish understanding.

Covet means to be consumed with desire, to long for, yearn for, hunger after, thirst for something, anything that is your neighbor’s. The breaking of this covet command is what prevents a person from enjoying the life they have right now. Why? Because their mind is always wanting what they do not have. It is hard to be happy, if we are always wanting more—coveting.

So, there you have it! Ten rather simple, or not so simple teachings to organize a bunch of misfits in a world gone nuts. Commands given for humanity’s benefit and given out of Love, to all religions. We live in a beautiful nation, with so much potential. Our makeup is not so different than the Hebrew slaves coming out of Egypt. We claim to want a better world, so imagine what would happen if we actually began to listen to the prophets of old, putting God’s commands back into a Godly nation and writing them on the doorpost of our heart? After all, everybody has the same God. We may not believe in the Same God, but we have the Same God.

In Christian Love,
Pastor David Trexler

What’s Up Doc?

Here’s a little update on a few things happening at Peace Lutheran. In February we voted to borrow \$80,000 from Thrivent Financial to install a new sign and a new outdoor worship/picnic shelter. Thrivent only approved \$50,000. The sign has been ordered, but that means we will have to find another way to move forward with the outdoor worship center. And folks, the gears in my brain are already churning.

Also, we thought Peace had an arrangement with Lifeline Academy to use our facility by the food pantry as classrooms for 9-12 grade students. However, because of new state regulations the space would need approximately \$50,000 worth of upgrades. Since neither party has the funds available for these upgrades the deal was put on hold. We will continue to seek opportunities to utilize our facilities to the Glory of God.

Please make the work of Peace Lutheran Church an important part of your life!

FELLOWSHIP MINISTRY

Prayer Sisters

Praying women of the congregation continue to raise sisters up in prayer. We are grateful for you and your ministry. ***“Call to me and I will answer you” Jeremiah 33:3a***

SCRIP

Scrip cards continue to be available for order. This ministry supports our Food Pantry. The Food Pantry is in need of your help and this is a great way to help provide for those in our community that are in need. Fulfilling the command of our Lord ***“when I was hungry you gave me something to eat” Matthew 25:35.***

See Sandy Trexler or you can text or call, 219-794-4424

Fellowship

The family and friends of Joe Harmon celebrated his life on June 5th, 2022 with 55 people in attendance. Thank you to those who provided food and helped in the kitchen. Your presence was instrumental in this ministry.

Thank you to Susan who continues her service of providing for our Coffee Hour after worship.

Can it be? Are things actually returning to whatever “normal” now is? The indications abound! We’re again “passing the offering plate” at our Sunday services. Our snowbirds have “flown the coop”, returning to their northerly homes—some with daily highs hotter than ours here on the Space Coast. Vacationers are hitting the roads and skies in some of the highest numbers seen in years.

I’ve traveled to Guatemala, Utah and Colorado over the past 4 months; most recently, Miami for a brief break. It’s always fun to experience new and different environments. But it’s also gratifying to return home: Isn’t it a joy to live in central Florida? We have it all: plenty of sunshine, numerous pro and college sports teams; beaches, rivers and lakes, shopping centers and theme parks—not to mention beautiful botanical gardens, museums, and historical sites. And a nurturing church home. Our blessings abound.

A big indicator that our church and our walk-in-faith are good and getting better: Peace is partnering with In Season Ministries to host Vacation Bible School July 11 – 15. I researched the history of VBS (OK, I googled it) with interesting results. Some say VBS began in the 1870’s at Methodist Episcopal Church near Lake Chautauqua, NY as Summer Sunday School. However, most researchers trace its origins to 1894 at the United Methodist Church in Hopedale, IL. Sunday school teacher Martha “Mattie” Miles, who was also a public school teacher, felt she was limited by time constraints in teaching the Bible to children. So, she started a daily Bible School during the summer. The concept spread to NYC where, in 1898, Eliza Hawes of Epiphany Baptist Church held bible classes in a rented beer saloon, primarily for children living in the slums. Other Baptist churches picked up the ball and ran with it, and by the 1920’s there was a World Association of Daily Vacation Bible School.

I vaguely recall my own VBS experiences at various worldwide military chapel locations and while vacationing in my parents’ hometowns in Colorado and South Carolina. New friends, bible stories, Kool Aid, cookies, and P & J sandwiches form my fond memories of those days.

Nationwide, VBS seems to be on the decline: one study found that 81 % of US churches held VBS in 1997, while only 68% did so in 2012. That’s not the case at Peace Lutheran Church in Palm Bay, FL. I have a new VBS memory just as dear to me as my 60+ year old recollections: observing our own dedicated, determined, hard-working church members putting together and executing a plan to bring VBS back to Peace Lutheran Church and our precious neighborhood children.

Treasurer's Report

Dear brothers and sisters in Christ,

We will close on our \$50,000 second loan on June 30. That loan will have a monthly payment amount of \$530 per month beginning in August. The money is to be used for the new church sign.

Our noisy offering will be going to the Food Pantry for the next few months. There is an increase of people seeking food assistance at this time and the Food Pantry can use the extra funds to stay in the black. The May noisy offering raised \$265 for Lutheran World Relief – Ukraine. That money was mailed to them in June.

The Coffee and Fellowship Fund is in the negative. We will continue taking donations for the Coffee and Fellowship Fund to replenish funds used for potlucks and memorial luncheons. I know we have not been asking for donations during coffee/fellowship for three years, but to afford coffee and other supplies we need to put the donation baskets out again. Also, if you are thankful for the Panera bread and goodies you could throw in a couple of bucks to show your gratitude. The bread and goodies are well worth that.

Our contributions dropped from \$18,889 in April to \$11,873 in May and I am afraid that our contributions are low in June also.

Please keep Peace Lutheran Church members and finances in your prayers. Call or email me with any questions.

Your sister in Christ,
Faye Schill, Treasurer

The General Fund account is used for regular expenses (FPL, utilities, salaries, lawn care, insurance, mortgage, etc.)

Did you know? Instead of writing multiple checks for individual contributions like the Children's Hunger Project, the Food Pantry, etc., you only have to write one check. Simply designate the breakdown of your giving in the check's memo area or on the envelope itself. "FP" for Food Pantry, "CHP" for Children's Hunger Project, and so on.

CDC Guidance for Faith Based Organizations

PLC Leadership routinely reviews COVID-19 guidance posted by the state of Florida and by the Centers for Disease Control (CDC). We will continue to practice sensible routine hygienic practices as we worship and gather for Sunday school/services and other church meetings. General guidance on everyday preventive actions to help prevent the spread of COVID-19:

- Stay home when you are sick, except to get medical care.
- Cover your coughs and sneezes with a tissue, then trash the tissue.
- Wash your hands often with soap and water for at least 20 seconds, especially after going to the bathroom; before eating; and after blowing your nose, coughing, or sneezing.
- Avoid touching your eyes, nose, and mouth with unwashed hands.
- Clean frequently touched surfaces and objects daily.

The COVID-19 Call Center is available 24/7 | 1 (866) 779-6121 | COVID-19@flhealth.gov

The idea is to spread the Love of God and the stories of the Bible through short entertaining messages over the phone.

One simply calls **321-727-1048** and they hear a different story everyday about Flip the Flea, Dirty Windows, Phillip the Pig, and many other strange concepts and characters, all sharing a theme from Scripture. Granted some may seem a little off of the wall, but what better way to reach out? After all, aren't most of us a little off the wall?

Your task is to not only use the service, but share this ministry with those around you.

Gotta go. Bye now. Seeeee ya tomorrow!

FINANCIAL SECRETARY

We need two or three volunteers to help count contributions on Monday mornings. It wouldn't be every month. Probably once every three months. Volunteers with some computer experience would be most helpful. The Church Council has requested that more than two people be able to work the Power Church software used in recording contributions. Please talk to Faye Schill if you are interested.

EXTRA! EXTRA!

VACATION BIBLE SCHOOL

We are planning a great Vacation Bible School this year with help from In Season Ministries, our sister church. VBS will be held from July 11 through July 15 from 9:00 – 12:30 each day. We have teachers, music director, craft director, games director, and volunteers to help keep the children safe and have a fun week talking about “*God’s Wonder Lab.*” The key theme is “Jesus Does the Impossible” which highlights miracles and other marvelous things Jesus did.

We want to personally thank those members and non-members that have given of time, talent and treasure to make this a wonderful week for the children and volunteers. We have had such an outpouring of financial support that we are able to offer VBS for free for children between K – 5th grade.

Parents can register their children online at www.peacelutheranpb.org or call the church office at 321-727-3131 for information.

Please pray for our 2022 VBS and all those who volunteer and the children that attend.

Our Food Pantry is always in need of donations of either food or financial donations to support this much needed ministry. Our community is flooded with people looking for help, and we are grateful that as a church, we can help meet the need, anyway we can. Your generous donations will allow us to

continue to help them and together, we can see our community get stronger!

Our pantry is open on: **Tuesday's—9:00AM -11:00AM**

Thank you to everyone who has been donating to the food pantry. It truly makes a difference in our community.

Jesus says in Matthew 25, "For I was hungry and you gave me food... Truly I tell you, just as you did it to one of the least of these who are members of my family, you did it to me."

Where do you buy groceries, gas, prescriptions? What restaurants do you like? Where do you purchase clothing or things for around the house? A couple weeks ago, Peace began a program called Scrip. Simply and I mean simply, purchase the cards following worship or order whatever you want for the following week. That's it. 100% of the proceeds will go toward our food pantry in feeding the poor.

We are going to shop no matter what. We might as well serve the Lord in the process. I love the program because it helps me think more about God. I don't always do that when I use my debit or credit card. When I'm out having a meal with family or friends, shopping at the mall with my wife, doing some work around the house, and I go to pay the bill with my Scrip card, I find myself lifting up a word of thanksgiving for being able to enjoy the blessings given by my Creator.

Give it try. See how you feel.
