FROM THE... PASTOR'S DESK

We are moving into a new Era at Peace Lutheran Church.

The Trail Life Troop: TLUSA9313 now meets on our campus every Thursday and has become a ministry of Peace Lutheran Church of Palm Bay. This is our opportunity to answer the question What does Peace church have for young people, the Answer a young man's program called Trail Life for ages 5-18.

The future of Peace looks bright as we are bringing in activities and programs for members and community to be involved in. Our House School Coop for children, Men's Breakfast and Fellowship, Cribbage meet, Recovery program, monthly Healing service, Food Bank, Stamp Club and Now Central Florida Model Car club, plus Saturday Night Praise and Worship. The sermons are recorded and posted on the website and weekly individual Bible Studies are in your bulletins. Fall Festival is coming up November 14th on the Campus.

More that are happening are Calling and Caring, Altar Guild, Communion Assistance, Assisting Ministers, I pray the leaders would lead weekly or every other week to gather the participants and better understand the ministry and the mission of each.

We have more to do, some have mentioned Sunday School, Women's fellowship groups, Heritage Girls, Youth band, and Youth group, and much more could be and perhaps some of you are doing something that would be considered a ministry of Peace. Let me or the Office know. Perhaps I missed something you are doing we need to know in the office.

I am also working to open, So Buckle Up Get ready, God is on the move at Peace Lutheran Church. Do not be discourse that can have credit hours associated with them and related to Tapestry Christian College and Tapestry Christian University.

Catch the vision be the solution.

Council President

I don't know about you, but I feel a lot more comfortable and secure when I go to church these past few Sundays. How nice to have a brand-new, professionally installed roof to cover our sanctuary. No leaks that I know of, and for many years to come. A leaky roof is one less worry for the church to deal with. Thanks to Jacqui for recommending our roofing company; they have been highly professional and easy to work with. Also, thanks to the council for agreeing to select this company to do the work and to our congregation for approving spending the funds to make it happen. I believe this is a positive sign that Peace Lutheran Church can successfully solve problems.

An additional positive sign was this past Sunday when Pastor Paul presided over the confirmation of two young people, Brayden and Olivia, into full membership in our church. It was an inspirational service. It was so meaningful that Olivia's Dad gave the sermon. Wes nicely included the scripture describing the person who does the work every day as the blessed person. He described using the Small Catechism by Martin Luther and the Book of Concord as important resources to prepare Olivia for her confirmation. And in the presence of the entire congregation, pledged that her parents would support her in her ongoing journey in the Lutheran Faith. Similarly, it was so appropriate that Brayden's dad, Brian, served as worship assistant for this special service. Brian did an outstanding job for his part of the service. I believe Brian will be an excellent mentor for his son on his faith journey. Then, having the church council invited to the front of the church and including the entire congregation in welcoming two young people into our church family was a special moment. Could it also be a sign that there will be more Confirmation Sundays in our future?

Call Committee

Dear Beloved Congregation,

As we mentioned last month, we have received a number of new applicants for our open pastor position. While we are grateful for the interest, most do not have Lutheran training or experience. The Call Committee continues to carefully review each one in light of our congregation's desire to remain firmly rooted in Lutheran theology and practice.

To give you a clearer picture of the overall process, any candidate we introduce to the congregation will have already completed interviews with both the Call Committee and the Church Council. When a candidate visits, we will ask them to take part in a Sunday service by introducing themselves and delivering the sermon. After the service, there will be a meet-and-greet so you can spend time with them and ask questions.

Two weeks after that visit, we will hold a congregational meeting to vote on whether to extend the call. This timeline follows our constitution and gives everyone time to reflect and pray.

In the meantime, we continue to do our best to keep our open position in front of potential candidates. We remain in the harder, slower part of the process, which requires patience and trust in God's timing.

Please continue to pray for the Call Committee, the Church Council, and the pastor God may already be preparing for us as we press forward in the search for our new, permanent pastor.

In Christ's Service,
Andy Pedersen
Call Committee Lead
